

Ancient Civilizations

Ancient Egypt

The pyramids

- ◆ The ancient Egyptians made amazing pyramids that were actually tombs for the dead Pharaohs.
- ◆ Pharaohs were the rulers of Egypt.
- ◆ The pyramids of Giza are the only of the ancient 7 wonders of the world still standing.

Egyptian Inventions

- ◆ One amazing ancient Egyptian invention was writing. The Egyptian civilizations were the first to use writing to record times that have passed.

Egyptian Inventions (Continued)

- ◆ The Egyptians also invented paper. But their paper was not like ours today, it was made from papyrus reeds that grew along the Nile River.

Egyptian Inventions (Still continued)

- ◆ The ancient Egyptians made something very important that we use. They invented the ordinary but very important lock that you use probably every day.

Egyptian Beliefs

- ◆ There were many Egyptian beliefs of gods, here are a few.
- ◆ Ra, Osiris, Isis, Horus, Set, Geb, Nut, Bast, Sobek, Thoth, Tefnut, Tawaret, Nephthys and more.

Other Egyptian Beliefs

- ◆ The ancient Egyptians believed that if all of their body parts weren't shown in a depiction of them, then in the afterlife they wouldn't have that part.

Ancient Rome

The Colosseum

- ◆ This magnificent building that the ancient Romans built was a theater.
- ◆ It was also an arena for fights between gladiators, criminals, and sometimes animals.
- ◆ Many Romans would attend these bloody games.

The chariot races

- ◆ The chariot races were played at the Circus Flaminius where many Romans would attend and cheer for their racer.

Roman Beliefs

- ◆ These are some gods Romans believed in.
- ◆ Jupiter, Pluto, Neptune, Uranus, and many others.

Ancient Greece

Greek Scholars

- ◆ There were many great Greek scholars but I choose to recognize this one because he studied many different things.
- ◆ His name was Ptolemy, and he was an astronomer, astrologer, mathematician, geographer and a poet.

Ancient Greek Cities

- ◆ There were a lot of great Ancient Greek cities. Rhodes had one of the 7 wonders, the colossus at Rhodes.
- ◆ They made a giant bronze statue that was called the colossus at Rhodes and ships would sail under its legs.
- ◆ Sadly, it fell during an earthquake and was not rebuilt.

Major Greek Gods

- ◆ The Ancient Greeks had many gods that they believed in.
- ◆ A lot of them were minor, which means not that important.
- ◆ The most important gods and goddess' are listed, Ares, Artemis, Apollo, Aphrodite, Athena, Demeter, Hades, Poseidon, and Zeus.

The Parthenon

- ◆ The Parthenon was an Ancient Greek temple that they would worship gods at.

Medieval England

Conquering And Pillaging

- ◆ England was a very formidable fighting force and they used that to their advantage.
- ◆ England would also use their power to attack other countries and pillage villages.

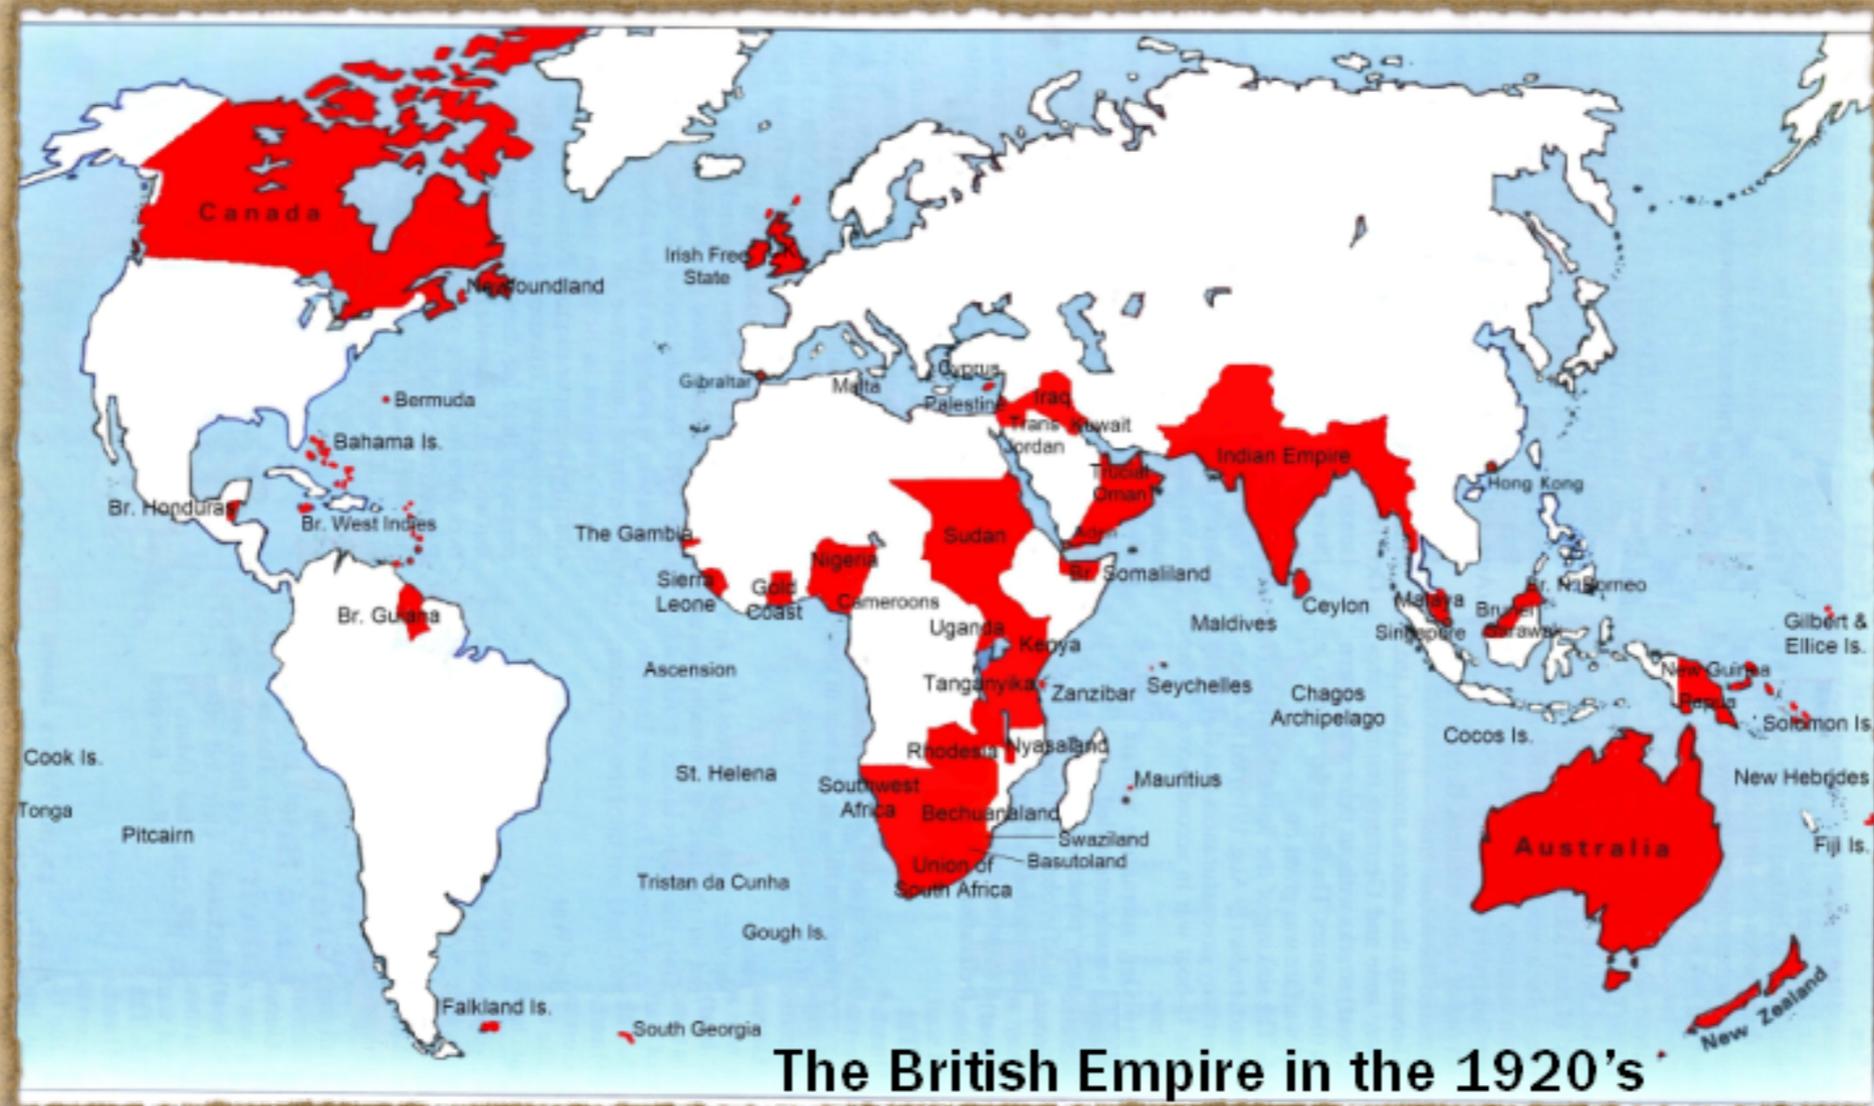

Execution tools

- ◆ The most common ways to get executed were either guillotine or a hanging.
- ◆ There were other ways but I don't want to describe them because they're so bloody.

Countries That England Ruled

- ◆ British Isles, British North America, British West Indies, British Guiana, British West Africa, British East Africa, India, Australia, and New Zealand.

The Countries That England Ruled
